SUBMISSIONS:

This show will only be for 8"x10" black & white printed photographs from negatives.

No digital photographs are allowed, nor are any digital prints. Prints will be displayed unframed.

Content is at the discretion of the photographer, but please keep in mind the goal is to sell to the public to raise money for two good causes. The space lends itself to urban landscapes/textures, portraiture, and abstract alike. We are a biking and travel related brand, and content that reflects these activities is always appreciated. Direct any questions you may have to photoshow@missionworkshop.com

TO PARTICIPATE:

Once you have selected the prints you would like to contribute to the show, bring them to Mission Workshop along with the second page filled out completely with your information as well as the price for each piece. We will not accept mailed in work, this is a show for local artists and you will need to personally drop off your work.

USE OF IMAGES:

All entrants agree that any image they submit to the Mission Workshop Photography Show may be used for marketing and promotional purposes directly related to the Mission Workshop Photography Show. This use may include, but is not limited to, publication in any Mission Workshop Photography Show printed materials, advertisements, electronic media, Internet, television, catalog, DVD, magazine, and missionworkshop.com.
